

Q8 HIGH STREET In the main shopping area of Odiham High Street, would you support a policy in the NP which seeks to balance use between shops, cafes or restaurants and offices or houses?

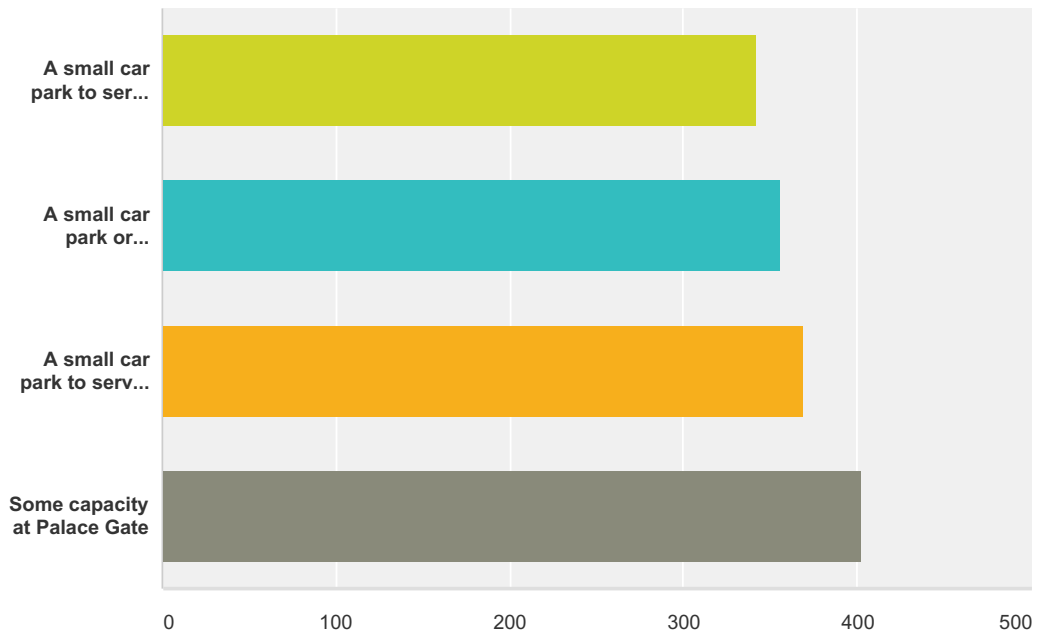

Answered: 659 Skipped: 52

Answer Choices	Responses
Yes	93.63% 617
No	6.37% 42
Total	659

Q9 PARKING We know from our first consultation that parking in and around the High Street was considered an issue for some. Odiham Parish Council continues to monitor parking capacity with a view to proposing to Hart District Council changes to the existing arrangement if felt necessary. Although a site for a new car park is not being proposed, where possible the NP is seeking to provide some parking to support specific facilities. Please tick to support one or more of the following:
